

LEISHMAN'S
MATTRESS
GUARANTEE

Leishman's of Santa Fe is committed to your **total satisfaction** with the purchase of mattresses. We will match any competitor's price in the Santa Fe market on identical mattresses that we carry as a dealer. This applies to mattresses in stock and to special orders. Our Guarantee is effective for the original transaction and is not retroactive. Leishman's has the right to determine when a mattress is "identical" with a competitor's.
